

INVITATION

The Board of Wolper Jewish Hospital together with Gift of Life Australia
invite you to the official launch of

THE GIFT OF LIFE AUSTRALIA MOBILE UNIT

Gift of Life Australia raises awareness about the life saving potential of Stem Cell, Bone Marrow and Cord Blood transplants and aims to increase the representation of Jewish and other ethnic minority groups on the Australian Bone Marrow Donor Registry. The Mobile Unit, the first in Australia, is a working unit that will reach out to the Jewish and wider community by providing an easily accessible mobile collection facility for potential stem cell donors to save lives.

Please join us for the official presentation of the Mobile Unit by
